EDUCATION

Princeton Day School *Princeton, NJ*
Class of 2027 | SAT 1550 (750 R, 800 M) | PSAT 1490 (730 R, 760 M) | AP Scholar with Distinction | National Merit Commended

LEADERSHIP & SCHOOL ACTIVITIES

The Spokesman (School Newspaper) — Editor-in-Chief *Sep 2023 – Present*
- Rose from Associate Editor (9) to Online Editor (10) to Editor-in-Chief (11, 12); lead 11 editors and 36 writers, artists, and photographers, set editorial direction, and run the print and online editions

Ti-Ratana Welfare Society — Director, Orphanage Educational Program *Mar 2020 – Present*
- Founded and run a remote education program for a Kuala Lumpur NGO housing 70+ children: weekly English and science lessons via Zoom for 6+ years (600+ hours) and a fundraiser raising $8,000+ for e-learning tools; featured in Malaysian press

Varsity Fencing Team — Saber Captain (12), Varsity Fencer (9–12) *Sep 2023 – Present*
- Four-year varsity starter, fencing since age six; NJSIAA District 6: 2nd Place, Individual & Team (Saber) (2025); run saber practices for new fencers as captain

Science Olympiad — Co-Head (12), Middle School Co-Head (11) *Sep 2023 – Present*
- Helicopter: 3rd Regionals (2025, 2026), 5th NJ States (2025), 4th NJ States (2026); Electric Vehicle: 6th NJ States (2025); run weekly meetings, write practice tests, and mentor younger members

SiMS Center (Success in Math & Science) — Peer Mentor *May 2026 – Present*
- Selected by application; give drop-in math and science help to Upper School students at PDS's peer-tutoring center

ObCHESSed (PDS Chess Club) — Co-Founder *Sep 2025 – Jun 2026*
- Co-founded the club and grew it past 40 members in one year; ran weekly sessions and internal tournaments

PROJECTS & ENTREPRENEURSHIP

NapkinNotes — Co-Founder & Lead Developer *Aug 2025 – May 2026*
- Co-founded a web app that turns handwritten notes and PDFs into searchable study resources: OCR, Claude summarization, a social layer, and a student marketplace (Flask, PostgreSQL, AWS S3; 100+ routes)

Phase Spector — Co-Developer & Designer *Jan 2026 – May 2026*
- Co-developed (3-person team) a wave-based arcade shooter in Godot 4.6 with a time-rewind mechanic, released to 500+ PDS students; built three enemy types, rewind playback, projectile deflection, difficulty scaling, and persistent leaderboards

Stock Price Prediction ML — Lead Researcher & Developer *Jun 2024 – Present*
- Led a study of whether Twitter sentiment improves LSTM stock prediction (AAPL, TSLA, MSFT; 80K-tweet dataset, 21 technical indicators); sentiment raised average RMSE 32%; accepted for publication in the Journal of Emerging Investigators

EMPLOYMENT EXPERIENCE

Rutgers University — Research Intern, LLM Multi-Agent Systems (Prof. Yongfeng Zhang) *Apr 2026 – Present*
- Researched whether LLM agents can negotiate peer-to-peer to fairly ration energy during grid outages; built a 30-household microgrid simulator and agent negotiation layer; paper drafted for an AAAI-27 workshop

Hongik University — Research Intern, Prof. Eunsoo Choi's Civil Engineering Lab *Seoul | Aug 2026*
- Investigated shape memory alloy fibers in concrete for post-earthquake crack closure; ran daily experiments with graduate students and built simulations analyzing the resulting test data

Zhongke Guoguang Quantum (GGQuanta) — AI/ML Intern, Multi-Agent Systems & Web *Beijing | Jul 2026*
- Authored and stress-tested agent skills for QuantaMate, the AI research assistant of China's first photonic quantum chip company (shipped at its July 2026 launch); developed its production bilingual website with an interactive 3D chip model

Mundial Financial Group — Intern, Investment Banking *Jul 2025 – Sep 2025*
- Led a full website redesign with the CEO: competitor analysis of 10+ sites, all major web content, and social media

Chipotle Mexican Grill — Team Member, Yardley & Warrington, PA *Sep 2025 – May 2026*
- Built 200+ orders daily through peak rushes; upheld food-safety protocols and coordinated shift transitions

Achievable — Content Marketing Intern *Jul 2024 – Oct 2024*
- Authored 15+ published blog posts and guest articles for an online exam-prep company

Capital Health Regional Medical Center — Junior Volunteer *Jul 2024 – Aug 2024*
- 66+ hours of nursing-unit support: patient cart programs, patient support, data entry, and discharge-packet preparation
